Agero NGP | Roadside Assistance Customer Service What to Expect When Servicing

What to Expect

On a day-to-day basis, Service Partners can expect to participate in the following activities using the new and exciting Agero Next Generation Platform (NGP):

- 24/7 service of inbound calls for roadside assistance and other service requests from client's customers and/or client account representatives for assistance with items such as:
 - a vehicle that won't start
 - flat tire(s)
 - keys locked inside a car
 - vehicle out of gas
 - vehicle in an accident
- Place outbound calls to list of client's service providers to secure appropriate towing assistance to resolve the customer's needs
- Possible outbound calls to client, client's customers and/or client account representatives for status and clarification purposes.
- Transfer inbound calls or outbound calls to other client-designated internal support departments or client account representatives
- Outbound coordination to client's service providers & possible follow up calls for clarification and/or additional calls for secondary services
- Probe to identify the need of the customer based on vehicle inoperable situation
- Identify the customer's location using Google Maps and other client tools
- Provide policy coverage details based on the specific client program
- Secure a Service Provider to assist the customer, based on the parameters of the policy's program
- Provide status updates to customers calling after the initial request for assistance was processed

Capabilities of Top Performing Service Partners for this Program

- This is a best fit opportunity for Service Partners who want to service from 8:00 a.m. – 12:00 p.m. ET and/or 4:00 p.m. - 8:00 p.m. ET - as 50% of intervals offered fall in these drive time windows.
- A working knowledge of google maps and other mapping resources.

Agero NGP | Roadside Assistance Customer Service CERTIFICATION DETAILS

1

PHASE I

Instructor-Led eLearning & Self-Paced Work

In this phase:

Agents will learn about the client, how to successfully map and locate customers and how to navigate the system.

Requires strong attention to detail, lengthy periods of intense concentration, and a great deal of learner involvement and class participation.

4 hours of instructor-led content per day and 2-hours of self-paced course work.

PHASE II

Instructor-Led Learning & Certification Call-Taking Earn While You Learn!

In this phase:

A combination of instructor-led class time and call-taking. Additional details will be provided in class.

An opportunity to apply what you've learned in Phase I, while earning revenue!

Service Partners will service at least 10 intervals per week outside of scheduled class time from Day 1 of Phase II until completion of the certification course. Please see page 1 for Day 1/Phase II date.

During the Certification SOW, Service Partners are required to service a minimum of 15 hours (30 intervals) per week during times posted in Starmatic and as outlined in the SOW. Please review the Certification SOW for additional information, including the end date.

See Page 1 For Class Dates and Times

100% attendance in instructor-led sessions is highly encouraged for success

Agero NGP | Roadside Assistance Customer Service CERTIFICATION DETAILS

Certification Completion Criteria

- Complete pre-course work prior to day 1 of class (if applicable)
- Successfully pass live certification call-taking days (if applicable)

THIS OPPORTUNITY REQUIRES A BACKGROUND CHECK AND AFFIDAVIT OF IDENTIFICATION

A background check will be prompted once you enroll in the course. Details on the type of background check and the requirements to pass it will be provided once enrolled.

IMPORTANT INFORMATION REGARDING BACKGROUND CHECKS

Please note a credit freeze will delay the process. If you have frozen your credit, you will have to temporarily lift the credit freeze with Experian. You do not need to lift the freeze at the other credit bureaus. Please lift the freeze for a minimum of 10 days. You will need to wait at least 24 hours before attempting the background check.

If you have recently changed your name, it may delay or disrupt the background check. Please make sure that full and correct legal name is included in your profile and provided in the background check step. Also, please ensure the Experian is aware of your name change.

Arise uses First Advantage to complete the background checks. Under certain circumstances, First Advantage may reach out to you to clarify your information. Your prompt response to First Advantage will accelerate the process of completing your background check and enrollment.

AFFIDAVIT OF ID

A completed, Affidavit of Identification with photo ID must be on file.

- To access the Affidavit of Identification form, log on to the portal, click on the AVA icon on the bottom right and select Affidavit Form.
- Make sure to follow all instructions and once completed, submit the form to AriseAffidavits@arise.com

Please note:

- Arise will not process system access codes, required to attend the certification course, until ALL enrollment pre-requisites have been successfully completed and provided to Arise.

Service level requirements vary and are subject to change

Failure to meet one or more of the service level requirements may result in termination of the SOW. The service level requirements may be modified from time to time upon commercially reasonable notice to the business.

Service Level Requirements		Metrics Definition
Commitment Adherence	> 90%	% of intervals serviced compared to the intervals scheduled and committed to service. Commitment Adherence is calculated as $\text{Serviced Minutes} / (\text{posted Minutes} + \text{Released Lockdown Minutes}) \times 100$
Net Promoter Score (NPS)	$\geq 87\%$	NPS survey responses from Agero's customers indicating Excellent level of service provided.
Average Handle Time (AHT)	300 – 450 Seconds	Talk time + Hold Time+ After call work
Quality Assurance Critical Score	> 85%	Quality Assurance Critical Score are the elements of Agero's Quality program specific to the customer's experience and compliance to Agero's processes and procedures.
AVAYA Not on Call Time	< 70 seconds	Not On Call (NOC) is time spent in After Call Work or Auxiliary phone statuses in Avaya. Not On Call Time is a component of overall Average Handle Time, and should be kept to a minimum, in order to help your company, achieve the Average Handle Time goal

Log-in codes are confidential, user-specific and will only be generated for confirmed course attendee
